Dear Ms. Asuncion,

Greetings!

I am **Christine Marie S. Cebiano** a BS Physics graduate and I am applying for a DOST scholarship grant for pursuing a Masters Degree in Physics in Mindanao State University-Iligan Institute of Technology (MSU-IIT). In this regard, I would like to raise my concern about some of my requirements namely: **Transcript of Records (TOR)**, **Certification of Admission for Graduate studies** and **Medical Certificate**. I am very sorry for not being able to submit the above requirements this time due to the following reasons, my **TOR** will be available by the end of May, and the **Certification for Admission** takes a week to process and thus will be available next week. However, I have submitted a certified true copy of Evaluation of Grades.

I promise to submit the above requirements before the end of May.

I am hoping for your kind and positive response.

Thank you and God bless to you and to your good office.

Sincerely yours,

Christine Marie S. Cebiano

Dear Mr. Cebano:

We wish to extend our congratulations to you for having successfully completed your degree, M.S. in Physics from the MSU-Iligan Institute of Technology under the DOST Accelerated S&T Human Resources Development Program (DOST-ASTHRDP). We also acknowledge receipt of the bound copy of manuscript entitled, "Transfer Matrix Method for Silicon-Based Microcavities". Please submit to us a copy of your diploma, transcript of records and CD copy of manuscript as soon as these are available.

Please be reminded that you are required to render return service within the country for two (2) years, equivalent to the time you have enjoyed the scholarship. We would like to stress that a **full clearance will be issued only upon completion of your service obligation as supported by a certificate of employment and/or service record**. Temporary clearances will be issued upon submission of pertinent documents (Please see attached).

We would also like you to be aware of the re-entry program which was specially designed for new MS/PhD graduates wanting to start a research project upon completion of their degrees. We encourage you to avail of this program. Please contact our office for more details.

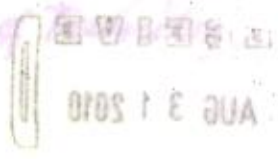

Please be advised also that PCASTRD has been consolidated with the Philippine Council for Industry and Energy Research and Development (PCIERD) into the Philippine Council for Industry, Energy and Emerging Technology Research and Development (PCIEERD).

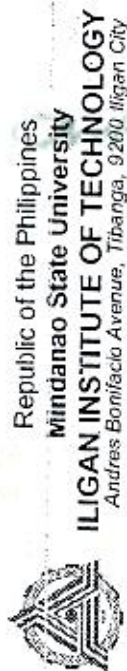

We hope for your success in your future endeavors and we expect to be continually updated about the progress of your professional career, especially regarding your research related activities.

Thank you and best regards.

Very truly yours,

Dear Ms. Cebalano:

We would like to inform you that we are allowing you to enroll in thesis writing this Summer of 2011 as endorsed by your adviser, Dr. Ryan B. Balili. We expect that you will work diligently to be able to come-up with a final copy of your M.S thesis. In this regard, DOST thru PCIEERD may provide payment for your tuition fees and monthly stipends for the months of April and May, upon submission of an electronic copy of the first draft of your M.S thesis. Please find attached, the announcement regarding the changes in the scholarship guidelines on enrollment.

Please note, however, that your scholarship will end this Summer 2011. Hence, we will no longer provide financial support (i.e., school fees, book allowance, stipends, etc.) except for the thesis/dissertation allowance beyond May 2011.

Moreover, we wish
following scholarship requireme

1. Final manuscript of thesis/dissertation on (hardbound and CD copies)
2. Certificate of Graduation
3. Transcript of Records/Certified true copy of M.S grades

Lastly, please be informed that PCIEERD has been consolidated with the Philippine Council for Industry and Energy Research and Development (PCIERD) into the Philippine Council for Industry, Energy and Emerging Technology Research and Development (PCIEERD).

Please be guided accordingly.

Dear Engr. Bacarra,

Greetings!

I am **Christine Marie T. Cebiano**, a second year Master of Science in Physics student under the Accelerated Science and Technology Human Resource Development Program (**ASTHRDP**) of the **PCASTRD-DOST**. I am now on my supposedly last semester of school. I am writing this letter to request your good office to allow me to extend for another semester, this summer.

I won't be able to graduate this semester for the reason that I can't make it to the deadline of the college on March 28, 2011. We should have our final thesis defense and hard bound manuscript before the said deadline which I wasn't able to accomplish because my results are not yet substantial. With this, I still need more time to work with my results so that the findings and claims of the thesis will be fully supported.

In relation to this, I want to ask your good office to allow me to extend to the summer semester of the S.Y. 2010-2011. Also, I am asking for a monthly allowance and tuition fee for the said semester. It will be a great help for me to finish my masteral thesis.

Your positive response regarding this request would be greatly appreciated. Thank you.

Respectfully yours,

CHRISTINE MARIE T. CEBIANO

Dear **Engr. Bacarra**,

Greetings!

I am **Christine Marie T. Ceblano** a second year Masteral student in Physics under the *Accelerated Science and Technology Human Resource Development Program (ASTHRDP)* of the **PCASTRD-DOST**. The **Samahang Pisika ng Visayas at Mindanao (SPVM)** will be conducting their annual scientific physics conference and workshop this coming **October 21-23, 2010** to be held at **Central Philippine University, Iloilo City**. I have responded to their call for papers and just received their acceptance last **September 26, 2010** of the paper submitted:

- **Modeling of Amorphous Silicon Nitride Microcavities**

Authors: **Christine Marie T. Ceblano** and **Ryan B. Balili**

In connection with this, I am humbly asking your good office to finance the expenses that will be covered for the whole duration of the scientific conference. The expenses are inclusive of the transportation, board and lodging, and the registration fee of the conference. The complete itinerary of the said conference is summarized in a separate sheet attached to this request letter. Also attached in this letter is the endorsement from my program adviser, the abstract of the paper mentioned above and the respective letter of acceptance of the paper from the SPVM Conference Committee.

Your positive response regarding this request would be greatly appreciated.

Respectfully yours,
