TO WHOM IT MAY CONCERN:

This is to highly recommend **MS. MONABEL MAY N. APAO**, to the DOST Accelerated Science and Technology Human Resource Development Program for SY 2008-09 Graduate Science and Technology MS Scholarship.

Ms. Apao had been under me in Cell & Molecular Biology and Research subjects, and she passed them without difficulty. She possesses high intellectual capacity with good motivation for research. She works independently but can work well with others. With these characteristics, I am sure she will be able to hurdle the rigors of graduate training. Therefore, I am asking you to support her quest to finish a Master's degree in Biology.

Very truly yours,

Jose Micabalo Oclarit
