Chief, HRIDD DOST

Dear Sir:

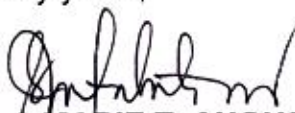

I am SHEILA MARIE TABULINA-ANGUSTIA, a graduate of M.S. Biology at De La Salle University- Manila under the DOST Accelerated S&T Human Resource Development Program (DOST-ASTHRDP). I already have submitted copies of my diploma, transcript of records, CD and bound copies of my thesis manuscript in your office as indicated on the acknowledgement letter that I received dated 14 August 2015. In that letter, I was reminded that I have to render return service within the country for two years equivalent to the time that I have enjoyed the scholarship before I will be given the full clearance.

I would like to inform your good office that I have completed two years of service at the Philippine National Police Crime Laboratory where I reported back to work upon graduation at DLSU-Manila. In this regard, I would like to request for a full clearance.

Attached herewith is the acknowledgement letter that I received upon submitting my diploma, transcript of records, CD and bound copies of my thesis manuscript. Also, attached a copy of my diploma indicating that I graduated on April 15, 2014 and an original copy of my service record printed on 31 May 2016 for your perusal. As of this date, I am still connected with The Philippine National Police Crime Laboratory DNA Analysis Branch.

I am hoping for your understanding and kind consideration.

Very truly yours,

  
**SHEILA MARIE T. ANGUSTIA**  
Forensic DNA Analyst/ Laboratory Supervisor
