

25 June 2007

DR. REYNADO B. VEA  
President and CEO  
Mapua Institute of Technology  
Muralla St., Intramuros, Manila

Attention: DR. JONATHAN W.L. SALVACION  
Dean, School of Graduate Studies

Dear Dr. Vea:

**Mr. Mark Anthony P. Javiero** is a recipient of the MS Scholarship Award under the Accelerated S&T Human Resource Development Program of the Department of Science and Technology-Science Education Institute (DOST-SEI). Please allow him to enroll in **MS Electronics and Communications Engineering** for First Quarter of AY 2007-2008.

The actual tuition and other school fees of Mr. Javiero shall be paid by the DOST-SEI. As such, may we request that the billing statement be sent to our office for the processing of the payment.

This letter for enrollment is valid only upon presentation of Mr. Javiero in person for First Quarter of AY 2007-2008.

Thank you.

Very truly yours,

For the Director:

  
FILMA G. BRAWNER  
Deputy Director

**Mr. Mark Anthony P. Javiero**  
Brgy. Real,  
Calamba City Laguna

**Dear Mr. Javiero,**

**CONGRATULATIONS!** You have been selected for admission for the Master of Science program in Electronics & Communications Engineering for the first quarter 2007 at the School of Graduate Studies, Mapua Institute of Technology.

We at the Graduate School believe that your academic profile not only indicates a strong promise of personal and educational growth but also valuable contribution to the Institute's tradition of Discipline, Excellence, Commitment, Integrity and Relevance. We hope that we can work together to help fulfill both your aspirations and the mission of our school.

Sincerely,

**Jonathan L. Salvacion, Ph. D.**

Dean

May 12, 2007

**ESTRELLA F. ALABASTRO**

Secretary

Department of Science and Technology

Dear Madam Alabastro;

I, **MARK ANTHONY P. JAVIERO** a graduate of BS Electronics and Communications Engineering at the Technological University of the Philippines Visayas last April 7, 2006 and currently employed as Cadet Engineer at NXP Semiconductors – LISP II, Calamba Laguna, have the intent to apply for the Department of Science and Technology - Accelerated Science and Technology Human Resource Development Program.

I received the letter from your department last May 4, 2007; because of this I was not able to completely accomplish the requirements to meet the deadline. I would like to appeal from your office for me to submit only three requirements your office had instructed to comply first (Information Sheet, Transcript of Record and Police Clearance – temporarily for the NBI Clearance, which processed a week delayed due to my contract with the DOST as an RA7687 Scholar). The remaining requirements will be sent the following week.

I am very much interested with this program and I know that this would be an opportunity for me to learn further and enhanced my knowledge in my field and be able to contribute for the development of Science and Technology in our country. I hope that you would consider my application and appeal.

Respectfully yours,

  
**MARK ANTHONY P. JAVIERO**

TECHNOLOGICAL UNIVERSITY OF THE PHILIPPINES VISAYAS  
College of Electronics and Communications Engineering

May 9, 2007

ESTRELLA F. ALABASTRO  
Secretary  
Department of Science and Technology

Dear Madam Alabastro;

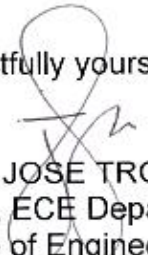

I had seen the potentials of excellence and growth with **MARK ANTHONY P. JAVIERO**, a graduate of Bachelor of Science in Electronics and Communications Engineering last April 2006 and a DOST Scholar for the entire duration of his Bachelors Degree, during his college. Provided with the opportunity and right venue to learn, he can be an asset to the field he takes.

He had been a well-rounded individual as he had participated with extra-curricular activities at the same time maintain a good academic record and a smooth relationship with other students and faculty.

Upon his request for an endorsement for the Department of Science and Technology Accelerated Science and Technology Human Resource Development Program, I did not hesitate to give my word. I know that this program would be an opportunity for him to make better and more equipped in his career. I also attest that he is fitted for the program based from the good track record he had shown during his stay at the university.

I hope that you would consider his application, as I know that my endorsement wouldn't lead to nowhere but something fruitful.

Respectfully yours,

ENGR. JOSE TROY AGSAM  
Trainer, ECE Department

ESTRELLA F. ALABASTRO  
Secretary  
Department of Science and Technology

Dear Madam Alabastro;

I would like to endorse **MARK ANTHONY P. JAVIERO**, a graduate of Bachelor of Science in Electronics and Communications Engineering last April 2006 and a DOST Scholar for the entire duration of his Bachelors Degree, for the Accelerated Science and Technology Human Resource Development Program of the Department of Science and Technology.

During his college, he has been a good student academically and was able to get along with other students and faculty. He was able to manage his time to comply with all the requirements beyond his participation on extra-curricular activities.

With my knowledge on this person, I strongly recommend that he is mentally, emotionally and physically ready for this program and this would be a great and right opportunity for him to enrich and further with his learning during college and to impart the collective knowledge as a tool to excel and be the best in class in his chosen career.

I hope that you would consider his application.

Respectfully yours,

  
ENGR. JOSEPH FERNANDEZ  
Trainer, ECE Department  
College of Engineering  
TUP-Visayas
